Solution

- Outsource editing and proofreading needs
- Outsource query/submission documents

Key Benefits

- Cost savings
- Quick turnaround times
- Quality

Solving Challenges with Outsourcing

As an author, Tammy Wilkinson’s biggest challenge in publishing her manuscript was cost. She researched multiple editing services, but quote after quote came back too high. So she turned to Scribendi.com.

“With Scribendi.com, I was able to access the services I needed and stay within my budget,” explains Tammy Wilkinson, author of Blood of the Ancients.

Easy Implementation and Customized Services

Wilkinson found that all of Scribendi.com’s services were customizable. She could get exactly what she wanted without having to pay for extra services that she couldn’t afford or didn’t need.

“I wouldn’t hesitate to use Scribendi.com for all of my future editing needs,” she said. “In fact, I look forward to working with Scribendi.com again in the future.”

Meeting High Customer Expectations

Tammy was extremely satisfied with the appearance and quality of her query letter. It was completed in a timely manner, and the editor she worked with was professional. The end result was even better than expected.

“I’ve already recommended Scribendi.com’s services to many other authors,” she said. “I know that they, like myself, struggle to work within a budget, and Scribendi.com offers affordable services.”
